## Health and Safety Policy Statement

We will take all reasonably practical precautions to ensure the health & safety at work of our employees whether on company premises or when carrying out its business elsewhere and recognise that a duty of care extends to other people whilst they are on company premises. The responsibility for safety at work belongs to all employees be they senior management; operatives and to employees of contractors variously employed.

We also accept, through our employees, responsibility for the health & safety of others affected by our actions. To achieve these aims we will:

- *Provide adequate control of the health & safety risks arising from our work activities*
- *Consult with our employees on matters affecting their health & safety*
- *Provide and maintain safe plant and equipment*
- *Ensure safe handling and use of substances*
- *Provide information, instruction and supervision for employees*
- *Ensure all employees are competent to do their tasks and to give them adequate training*
- *Prevent accidents and cases of work related ill health*
- *Maintain safe and healthy working conditions*
- *Review and revise this policy as necessary at regular intervals*
- *Continually strive to improve our health and safety performance.*

We recognise our responsibilities under the Health & Safety at Work Act etc 1974 (HSWA); Construction (Design & Management) Regulations 2015 (CDM) and other relevant safety legislation with regard to our employees and others that may be affected. We will provide such information, training, supervision, plant and equipment as necessary to identify, eliminate or control hazards and risks at the workplace and adequate resources will be provided for this purpose. This policy and the way it has operated will be reviewed annually to reflect any changes in the nature and size of the business or new or amended legislation. Jim Slater has been appointed as having responsibility for health & safety and is to whom reference will be made in the event of any difficulty arising in the implementation of this policy. Company management has ultimate authority and responsibility in relation to all health & safety topics affecting the company. This policy statement will be displayed prominently or made available at all relevant sites and workplaces. In addition, the organisation and arrangements will also be available at each site and workplace as required. This policy is reviewed annually to reflect any changes in legislation.
